SUBJECT Location of Surface Water Diversions Downstream of Richardson Flat Tailings.			
SUMMARY OF COMMUNICATION Mr. Pace described the location of the "G.M. Pace Ditch" as about 1/2 mile east of Quinn Junction or the junction of Highway 40 and 248 referred to as Keetley Junction on the USGS topographic map. This location description matches closely with that described by Jeff Anderson, Utah Division of Water Rights. The above-mentioned is the only surface water diversion from Silver Creek for irrigation purposes within three miles of downstream flow from Richardson Flat tailings.
